**NOTICE:**

Replacement AED PADS can be invoiced to MFR, ONLY if the pads were used on a call and there is an accompanying Patient Care Report (PCR). Please email your MFR Program Representative for more information.

**ITEMS UNABLE TO BE REPLACED OR REPLENISHED AS A ROUTINE CONSUMABLES**

- 1) AED
- 2) AED Batteries
- 3) Any items that exceed the Agency's level of service
- 4) Medications
- 5) Non-Disposable equipment Requests  
(spine board, scoop etc.)

These items may qualify for replacement or reimbursement through the MFR Training & Equipment Fund

*The Medical First Response (MFR) Program reserves the right to limit the quantity of items being replenished.*

*MFR does not provide agencies with their initial stock of supplies. Items that have expired will be considered for replacement on a case by case basis.*
