

## **December 2015**

### **Activity for previous period**

- Supported MFR agency enrolments with in-person discussions in Nanton, Claresholm, Fort McLeod, MD of Willow Creek, Tsuut'ina Nation, Okotoks, Black Diamond and County of Vermilion River
- **77** MFRs have registered to participate in EMS Clinical Symposiums across Alberta, receiving ACP continuing-education credits.
- Promoted awareness of the MFR Program among frontline EMS staff during Clinical Symposiums held in Edmonton (Nov 04), Calgary (Nov 10), Lethbridge (Nov 17), Grande Prairie (Nov 30) and Medicine Hat (Nov 30)
- Received an invitation to deliver a presentation and participate in the [AFCA annual conference and trade show](#) May 29-Jun 01, 2016
- **\$35,877** of clinical equipment supports directly distributed among enroled MFR agencies to date
- Implemented the first batch of MFR response plans
- Continued beta testing online training area of MFR portal
- Started work to include MFR MCPs on mobile app (IOS and Android)

### **Outstanding items**

- Final edits of MFR program framework documents and publish to MFR portal
- Schedule MFR Training Committee inaugural meeting and draft Terms of Reference (this has been deferred in order to support agency enrolments in MFR program)
- Publish key messages from scope of practice discussion findings

### **Planned activity for next period**

- Outstanding items, plus;
- Support progress on MFR agency enrollments with In-person discussions
- Promote awareness of the MFR Program among frontline EMS staff during Clinical Symposiums in Calgary (Dec 08) and Red Deer (Dec 11 &14) [Click here to attend a symposium and gain ACP con-ed credits](#)
- Complete testing of online training area and open that section on the MFR portal
- Share a MFR Patch/PCR guide memo pad for on-scene use
- Launch the MFR Training & Equipment Fund and begin accepting applications from enroled agencies for patient care-related training & equipment. [Click here for more information.](#)
