

Provincial Medical First Response Program

Project Update

October 2013

(For the month of September)

Planned Activities for Reporting Period

- Share preliminary requirements gathering within working groups for further feedback, review, and commentary
- Engage AHS Privacy to identify potential HIA or FOIP requirements
- Begin compiling inventory of MFR agencies
- Initiate Online Portal sourcing/procurement process

Accomplished Activities for Reporting Period

- Working groups continue to contribute to program design components
- Drafted preliminary Medical Control Protocols (MCPs) documentation
- Met with AHS Privacy and identified strategies for dealing with program privacy requirements
- Began compiling listing of known MFR agencies
- Engaged with several MFR stakeholders during dispatch consolidation meetings during reporting period.

Variations from Planned Activities

- Preliminary requirements being refined, detailed notes and meeting minutes have been distributed to each working group member for feedback
- Online portal sourcing is delayed pending AHS IT approvals

Planned Activities for Next Reporting Period

- Share preliminary requirements gathering within working groups for further feedback, review, and commentary
- Schedule follow-up teleconferences with working groups to discuss recommendations, and program design elements
- Submit AHS Privacy Risk Assessment
- Meet with AHS Training, Quality and Patient Safety leaders to develop delivery model and AHS program supports
- Draft Terms of Reference defining MFR Medical Oversight model
