December 2013

(For the month of November)

Planned Activities for Reporting Period

- Gather feedback from program stakeholders on draft program design materials
- Participate in AUMA and AAMDC Conventions
- Describe program delivery model and conceptual design
- Re-initiate online portal sourcing

Accomplished Activities for Reporting Period

- Participate in AUMA Convention
- Online Portal sourcing strategy approved, moving forward with detailed design
- Working group completed work on Medical Control Protocols (MCPs) and Patient Care Reporting data requirements
- Refined Quality Assurance processes and definitions
- Worked with EMS Operations to describe MFR delivery model and conceptual design
- Continue compiling listing of known MFR agencies
- Collected feedback and scheduled follow-up meeting with dispatch and event types working group (optional face-to-face for participants in Airdrie)

Variations from Planned Activities

- Participation at AAMDC Convention was not accomplished – no trade fair is done during the Fall Convention

Planned Activities for Next Reporting Period

- Begin focused engagement with program stakeholders including municipalities
- Collaborate with AHS Learning and Development to specify EMS training opportunities that can be made available to MFR Providers
- Continue to gather feedback from program stakeholders on draft program design materials
- Begin identification of pilot sites to test and improve program components
- Engage with Online Portal vendor to outline detailed requirements
